HARVEST POEM BY WHITTIER

*We better love the hardy gift
Our rugged vales bestow,
To cheer us when the storm shall
drift
Our harvest-fields with snow.*

FAREWELL AND BEST WISHES

We say a fond farewell to our two summer students - Jasmyn Harris and Nate Schultz who both did a fantastic job this year. Jasmyn and Nate are both entering Grade 12 and we wish them the very best!

OFFICIAL COMMUNITY PLAN

Thank you to the many who dropped off their surveys! We hope to hear from everyone in the community. Every voice matters! There are 4—\$25 gift cards to be won! Deadline is this **Thurs, Sept 5th**.

LAGOON PROJECT UPDATE

The lagoon expansion project has come to a full stop because the test holes where cell #3 is to go are filled with water. The engineers are working to determine the source of the water. Thankfully, the Federal and Provincial governments reached an agreement on the Canada Community Building Fund Program and extended the program for 10 years so we no longer have a deadline of Dec 31, 2024 for completion. Until the lagoon expansion project is complete, there is a moratorium on all developments and building permits.

WATER TREATMENT PLANT

We expect to have the final engineered design drawings for the Water Treatment Plant upgrade by November 13th. If all goes well, we will be going to construction this winter.

WAGGING THEIR TAILS

It is nice to have a dog, but they do require a license within Town boundaries. Radisson is one of few municipalities that offers a lifetime license (\$100). To date, we have only 10 dogs licensed; we know there are more than that in Radisson. Please license your dog.
