## 2025 TOWN PROJECTS

For the upcoming year, our capital projects include the following:

**1. Upgrades to the Water Treatment Plant** which involves a new post-treatment UV disinfection system, new variable speed drive pumps, new fire pump, and backup generator so when the power goes out we will no longer go on a precautionary drinking

water advisory. We have the final engineered design complete and will be going to tender for construction within a month—\$875K project. We anticipate completion by the end of May.

**2. Official Community Plan and Zoning Bylaw Update** We are in the review stage of the first drafts of the Bylaws and plan to have them finalized by the end of February.

**3. Lagoon Design** We are working on the best location and design for a 3rd cell.

**4. South Boundary Extension** The Town acquired 10.3 acres from the Skopyk Family on the south end of Town for multi-unit housing.

**5. New Website** Thanks to a grant the Town of Radisson will be getting a new website.

**6. Silversmith Data Asset Mapping** Thanks to a grant, we will be getting a new Asset Mapping software and GPS unit so once all the data is loaded into the software, the Maintenance Crew will be able to GPS right to a curb stop even under 6ft of snow, saving lots of time!

## 2025 DOG LICENSES

Please come in to the Town Office to get your new dog tag for your dog & cat. The fine for an unregistered pet is \$100.00.
