LET'S TALK TRASH

No Garbage in Recycle Bin - that includes grass clippings, used clothing etc - Please check our website www.radisson.ca

under the "Town Services" tab for what is acceptable and what isn't. All items must be placed in the cart - not beside.

Carts go on the street - wheels to curb - this

allows for easy pick up by the truck and please, do not over load. The truck may be able to pick it up but the bottom will fall out of your cart!

If your container cannot be picked up due to unacceptable material, over weight/filled etc, a tag will be placed on your cart and

the problem will need to be addressed before the next pick up date.

DIRECT DEBIT

We are now able to offer direct debit options for payments of your water and taxes on a monthly basis.

How it works:

- provide your banking information by "void" cheque or banking form available from your bank.
- Pick the date your account will be debited on the 15th or 30th of the month
- Pay your taxes monthly and take advantage of the biggest discounts
- Pay your water bill monthly - \$80.60 (\$241.80/3 months).

**** SIGN UP TO PAY YOUR WATER BILL BY DIRECT DEBIT BEFORE JULY 26TH AND GET \$50.00 OFF YOUR AUGUST WATER BILL (Must remain on direct debit for one year)****

Many ways to pay - Direct Debit, cheques, cash, debit, E-transfer (keep it simple - answer to security question is "Radisson"), and credit card (2.75% cost recovery fee applies)

2019 TAX NOTICES

Tax notices are in the mail! Pay your taxes early and get the biggest discounts!

- 6% until end of August
- 4% until end of September
- 2% until end of October

**And remember, all taxes are due by
December 31, 2019!**

NEW FACES

Give a warm welcome to Kevin Hepburn who has joined our community as Maintenance Foreman and will be making Radisson his home.

Amber Armstrong and Jesse Strongarm are our summer helpers participating in the Federal program "Canada Summer Jobs" and they are doing a great job!

Big **THANK YOU!!** To all residents for their patience while we work through challenges with the water system. All reservoirs have now been cleaned and with some minor repairs to valves to take place in the near future, things are improving at the water plant. Our turbidity testing results are moving in the right direction and with continued improvement; the boil water advisory will soon be lifted! Yay! Please continue to watch our Town of Radisson Website and Facebook page for updates.

PROPERTY MAINTENANCE BYLAW

The Town's Property Maintenance Bylaw is in effect to address those situations which impact the safety, health and aesthetics of the community. Yards over grown with weeds and uncut grass, dilapidated buildings and fences and junked vehicles are some of the situations that Council will be addressing this summer under the authority of the Property Maintenance Bylaw and with the help of the Bylaw Enforcement Officer.

Full details of this Bylaw are also available on the Town website www.radisson.ca
