Dear Administration:

**RE: Rescinding of Precautionary Drinking Water Advisory**

This letter is to advise that the Water Security Agency (WSA) in consultation with the Saskatchewan Health Authority, Saskatoon office, has by way of this letter rescinded the Precautionary Drinking Water Advisory (Do Not Drink) issued to the Town of Radisson on **April 9, 2021**. This advisory has been rescinded after the water plant is producing water at normal operating levels, the system has been flushed of excess chlorine and manganese, and is effective immediately this **April 12, 2021**.

I would advise the Town to issue immediate notice to the public, in the affected areas mentioned above, of the rescinding of the advisory. Further, the Town may return to its regular sampling intervals.

Thank you for your cooperation in this regard. For further information please do not hesitate to contact the undersigned at 230-3184.

Sincerely,
