WELCOME TO SELINA!

We welcome Selina Daniel our newest member of Council ! Selina's first Council meeting was August 16th. Please make her feel welcome.

GOODBYE TO OUR STUDENTS!

We had the pleasure to work with Ryder Currie, Jasmyn and Paige Harris this summer and will be sad to see them go. Best of luck to our students!

GOING ONCE, GOING TWICE, GONE

We sold the diesel zero turn mower to the Schultz family for \$2600.00

We also sold 210 George Street to Pete Reddekopp for \$500 and 110 William Street to Curtis Redman for \$1555.56.

SGI TRAFFIC SAFETY GRANT

You will notice soon that there is a crew doing sidewalks in town. Please give them lots of space to work.

The Town crew will be filling pot-holes soon and traffic will be diverted from Main St to the service road.

INFRASTRUCTURE FEES

Town Council passed Bylaw No. 2023-06 to increase Infrastructure Fees from \$10.00 to \$15.00 per month.

TAXSERVICE FEES

For those with over 50% of 2022 taxes owing and left unpaid, you should have received a letter from TAXservice informing you that your land is now under Tax Enforcement. TAXservice charges approximately \$400 as an initial fee to collect taxes which is passed onto the ratepayer. To avoid such charges, we encourage everyone to pay before the December 31st deadline. Postdated checks, e-transfers, cash, credit and debit cards are accepted as forms of payment. We have the following as outstanding:

Arrears Taxes = **\$290,357.00**
Outstanding Utilities = **\$16,912.00**
Total = **\$307,269.00**

WATER TREATMENT PLANT STUDY

Pinter Engineering recently completed a study that determined the best way to upgrade the Water Treatment Plant is with a UV post-treatment disinfection system which costs approximately \$350K. The Town has put in a CMHC Housing Accelerator Fund Grant of \$389K to cover the cost. The Study is posted on the Radisson.ca website.

WINNER!

David Matkowski won the \$20 gift card at the Co-op for completing our survey. Congrats David! Thank you to everyone who completed the survey.
