- iii. Members of council are individually responsible for preventing potential and actual conflicts of interest.

### PART III

#### COMPLAINT PROCESS

##### Informal Complaint Process<sup>2</sup>

6. Any person who has witnessed or believes that a member of council has contravened the bylaw may advise the member that they are in contravention of this bylaw and encourage the member to stop.

##### Formal Complaint Process

7. To report an alleged contravention of the bylaw, the complainant shall submit the Complaint Form found in Schedule A, personally or by sending the form directly to the designated officer by mail, email, fax or courier.
8. As soon as possible after receiving the complaint, the designated officer will issue the Receipt of Complaint form, found in Schedule B, to the complainant, personally or by sending the form by mail, email, fax or courier.

---

<sup>2</sup> The informal complaint process should be the initial means of remedying an alleged code of ethics complaint.

9. Within 14 days of issuing the Receipt of Complaint, the designated officer will review the complaint to ensure the following:
  - a) The complaint meets the scope of the code of ethics bylaw<sup>3</sup>; and
  - b) The complaint form is filled out completely and in detail.
10. After review of the complaint, the designated officer shall within 7 days notify:
  - a) The complainant in writing that the complaint does not meet the scope of this bylaw or that the complaint form is not filled out completely. If applicable, the designated officer will direct the complainant to another process for addressing the complaint; or
  - b) The complainant in writing that the complaint meets the requirements of this bylaw; and
  - c) The alleged council member(s) in writing that a complaint has been filed pursuant to this bylaw.
11. The designated officer shall inform all parties of the following:
  - a) Who will be investigating the complaint;
  - b) The investigation process;
  - c) When the investigation will be initiated<sup>4</sup>; and
  - d) How the investigation's findings will be communicated.
12. At the next council meeting, upon being informed by the designated officer, council will acknowledge by resolution that a code of ethics complaint has been filed and will initiate the investigation process<sup>5</sup>.

#### **Investigation - Option 1: Council is the Investigator**

13. Council shall establish a committee to investigate, report and to make recommendations based on the findings of the complaint to council.
14. The council member(s) who the complaint is made against shall not participate in conducting the investigation.
15. If the complainant is a council member, that council member shall not participate in conducting the investigation.
16. The investigation shall be done in a confidential, objective and impartial way.
17. The investigation must, as is reasonably possible, protect the names of all parties involved.
18. The investigative committee shall review the complaint and clarify any information with the complainant, if required.

---

<sup>3</sup> The designated officer should think about: Does the complaint outline a contravention of this bylaw or is there a better avenue to file the complaint? If the complaint fits better elsewhere, provide other options i.e. Nuisance Bylaw. This is not the time to judge whether it is a legitimate allegation, just if it fits the scope of the bylaw.

<sup>4</sup> The investigation will be initiated when council passes a motion as per section 12 of the bylaw.

<sup>5</sup> At this point council does not review the complaint, only acknowledges that a complaint was made. Best practice would be to acknowledge the complaint by reference number to protect all parties involved. If council wishes to discuss further, they should do so in a closed meeting. Remember that if a council member is a party to the complaint, they should not participate in the discussion and should declare a Conflict of Interest.

19. The investigative committee shall serve a copy of the complaint and supporting documents to the alleged council member(s) and request a written response to the claim within \_\_\_\_ days of receiving complaint<sup>6</sup>.
20. If the alleged council member(s) provide a written response, that response is to be provided to the complainant with a request for a written response within \_\_\_\_ days.
21. The investigation committee must verify the information provided from all parties, which may include speaking to anyone relevant to the complaint.
22. The investigation committee must determine what section(s), if any, of this bylaw was contravened.
23. When the investigative committee is satisfied that all the relevant information has been provided, they will prepare a written report summarizing the allegations, the findings and their recommendation as to whether or not the complaint is substantiated.
24. The complainant and alleged council member(s) shall be provided a copy of the written report.
25. The investigating committee will provide the report to council in a closed meeting.
26. The council member(s) who the complaint is made against shall not participate in the closed meeting.
27. If the complainant is a council member, that council member shall not participate in the closed meeting.
28. If council is satisfied with the report from the investigation committee, in an open meeting, council shall pass a resolution stating that the complaint is either unsubstantiated or substantiated.
29. If the complaint is unsubstantiated, it is deemed dismissed and council shall notify all parties involved of the following:
  - a) The reasons the complaint is dismissed; and
  - b) The ability to contact Ombudsman Saskatchewan if they feel they have been treated unfairly in the handling of the complaint.
30. If the complaint is substantiated, council shall provide all parties involved the following:
  - a) The reasons for the substantiation;
  - b) What remedial action(s), if any, will be imposed as per section 31; and
  - c) Information about the ability to contact Ombudsman Saskatchewan if they feel they have been treated unfairly in the handling of the complaint.

**Investigation - Option 2 - Third Party is the Investigator<sup>7</sup>**

13. The investigation must, as is reasonably possible, protect the names of all parties involved.
14. The investigation shall be done in a confidential, objective and unbiased way.
15. At a minimum, the investigation must:
  - a) Clarify what the complaint is about;

---

<sup>6</sup> Identifying and/or personal information may need to be redacted from the copy of complaint and documents being served.

<sup>7</sup> Best practice is to appoint the investigating third party annually by resolution.

- b) Verify the information provided in the complaint is relevant and accurate;
  - c) Provide an opportunity for all parties involved to review the preliminary findings and to provide contrary and/or additional information that may be relevant;
  - d) Determine what section(s), if any, of this bylaw was contravened; and
  - e) Summarize the results of the investigation into a written report.
16. The investigator will provide the report to council in a closed meeting.
17. The council member(s) who the complaint is made against shall not participate in the closed meeting.
18. If the complainant is a council member, that council member shall not participate in the closed meeting.
19. Upon the report from the investigator, in an open meeting, council shall pass a resolution stating that the complaint is either unsubstantiated or substantiated.
20. If the complaint is unsubstantiated, it is deemed dismissed and council shall notify all parties involved the following:
- a) The reasons the complaint is dismissed; and
  - b) The ability to contact Ombudsman Saskatchewan if they feel they have been treated unfairly in the handling of the complaint.
21. If the complaint is substantiated, council shall provide all parties involved the following:
- a) The reasons for the substantiation;
  - b) What remedial action(s), if any, will be imposed as per section 22; and
  - c) Information about the ability to contact Ombudsman Saskatchewan if they feel they have been treated unfairly in the handling of the complaint.

### **Remedial Action<sup>8</sup>**

31/22. The remedial action(s) imposed should be corrective and progressive and have a realistic time frame for completion. Council should take into consideration the nature and severity of the violation as well as whether the council member(s) has previously violated this bylaw.

32/23. The remedial action(s) imposed by council shall be decided by resolution, at a meeting open to the public. The remedial action may include, but is not limited to<sup>9</sup>:

- An apology, either written and/or verbal, by the member of council to the impacted individual(s), council and/or the general public.
- Educational training on ethical and respectful conduct<sup>10</sup>.
- Repayment of moneys/gifts received.
- Removal of the member from council committees and/or bodies.
- Dismissal of the member from a position of chairperson of a committee.
- Reduction in remuneration and/or benefits and/or expenses.

<sup>8</sup> The numbering of the sections for remedial action will depend on the investigation process decided on, Option 1 or Option 2.

<sup>9</sup> These are examples only and represent possible options. It is important that council discuss appropriate courses of action before passing a bylaw AND consult their legal counsel. Any actions chosen for your bylaw must be allowed by the applicable legislation and regulations.

<sup>10</sup> Be specific as to what course, when it is available and who is responsible for paying it.

33/24. Failure to comply with the course(s) of action set out by council may lead to further remedial action and possibly to suspension.

#### Dispute Resolution

34/25. If council believes it to be desirable, council may offer the parties to a complaint an opportunity to mediate the complaint.

35/26. Mediation must be agreed upon by all parties<sup>11</sup>.

36/27. Mediation shall be handled by a neutral third-party who has experience in the mediation process.

37/28. Mediation shall be confidential.

#### PART IV

#### MISCELLANEOUS

38/29. This bylaw shall also apply to members of committees, boards, controlled corporations and other bodies established by council who are not members of council.

#### PART V
