Our Outdoor Gear Library is back!

The library exists to provide individuals, schools and small groups the opportunity to access outdoor gear with minimal barriers.

Cost shouldn't be a deterrent from being active in the winter months so we lend you our equipment for a period of up to 5 days.

The Outdoor Gear Library functions on community trust and accountability. We hope that you will treat our equipment with respect and return it on time so that other community members may enjoy the gear as well.

We currently have:

- 17 sets of adult cross-country skis, boots, and poles
- 18 sets of kids cross-country skis, boots, and poles
- 18 sets of adult snow shoes
- 18 sets of kids snowshoes

We've added some additional items to the library which include:

- 8 sets of kids strap on cross-country skis
- 1 kinder shuttle
- 2 snowdome structures.

If you would like to reserve your gear please contact us via email:

We look forward to seeing you this winter season!
